Happy Halloween!

The staff of East Mountain Apartments would like to wish everyone a safe and Happy Halloween!

Community Garden Clean Out

We kindly ask all residents who have a community garden plot to please clean out their areas by the last day of October. Please note, anything that is not removed will be disposed of. We hope you had a pleasant time gardening. We look forward to doing it again next spring!

Maintenance Reminder

As we are getting closer to winter, we would like to remind residents to make sure their thermostats are set to a minimum of 60 degrees at all times, in order to prevent pipes from freezing. Please make sure to keep your heat on even if you are going to be away.

Parking Reminders

We would like to remind all residents and their guests to refrain from working on their vehicles on the property. Please make sure to not block any walkways or dumpsters when parking, and be on the lookout for our snow plows during the winter season. Thank you for your cooperation!
