

November 2018 *East Mountain Apartments*

The Staff of East Mountain Apartments wishes everyone a Happy Thanksgiving! Please remember that the office will be closed Thanksgiving Day. We will resume normal business hours on Friday, November 23rd.

Trash Reminder

We would like to remind all residents to please avoid parking in front of (or close to) the trash and recycling dumpsters. We also ask that you please do not leave any trash in the breezeways or on your patio/balcony, as this can attract wildlife. Thank you!

Vehicle Information Update

Please make sure to update your vehicle information with the office, in case we need to contact you about snow removal.

Spring Forward, Fall Back!

Daylight Savings Time ends on Sunday, November 4th at 2am. Don't forget to set your clocks back one hour!

Meet & Greet With The Staff

In case you haven't noticed, our staff is growing and is better than ever! We would like to invite our residents to meet the newest members of our East Mountain family. Join us for some pizza and staff trivia in the community building on Thursday, November 15th from 5-7pm. Hope to see you there!

Tenant Portal Q&A Session

Would you like the convenience of submitting maintenance requests online? Don't want to worry about forgetting to mail your rent check and paying a late fee? Sign up for an online tenant portal!

As we begin our transition to online payments, join us and learn about the benefits of signing up for a tenant portal!

We will be having an info session on Thursday, November 8th from 1-3pm where we will answer questions and help residents sign up for a portal.

If you would like to sign up on your own and have not already done so: visit our website, first click 'Resident Login', then 'Request Access' (or contact the office!).

All residents who pay their December rent online will be entered for a chance to win a \$100 gift card!!

Sunday, November 11th is Veterans Day.

"The willingness of America's veterans to sacrifice for our country has earned them our lasting gratitude." —Jeff Miller

Maintenance Reminder

As we are getting closer to winter, we would like to remind residents to make sure their thermostats are set to a minimum of 60 degrees at all times, in order to prevent pipes from freezing. Please make sure to keep your heat on even if you are going to be away.

Save the date!
